

VANDERHEYDEN

Giving new life to youth, adults and families

October 2023

"I cannot do all the good that the world needs. But the world needs all the good that I can do."

- Jana Stanfield

HOLIDAY GREETINGS:

At Vanderheyden, lives are being transformed for those that are seeking to overcome challenges and trauma in their lives. Each day we serve more than 500 youth, individuals and families, and are dedicated to making this Holiday Season a success. With your help, we can make that happen.

All of our individuals and families have been hit hard financially, emotionally and socially from the impact of the pandemic and inflation. Families are struggling to support their basic needs. With the holidays fast approaching, many are unsure if they will be able to experience the Holiday Season at all. Can you envision what it is like not to have any family gifts or a holiday meal? Our hope is that we can join together and provide these individuals and families with a bit of hope and happiness.

Vanderheyden will be fulfilling wish lists with your **monetary donations**, which can be made by mailing a check, or donating on our website. However, we are also looking for:

- **Gingerbread House Kits**
- **Stocking Stuffers (candy, fidget toys, personal care items)**
- **Target, Walmart & Grocery Store Gift Cards**

Our team members are ready to make this a Holiday Season to remember for our individuals and families with your assistance.

You can donate on our website home page www.vanderheyden.org under **HOLIDAY GIVING 2023**, or kindly complete the information on the enclosed form and return it with your check to the address on the form. If you have any questions, please contact Dominique Madore by email at dmadore@vanderheyden.org, or calling (518) 283-6500 ext. 719. For planning purposes, your donation would be most appreciated by Monday, December 11th.

Please support Vanderheyden in changing a life... to save a life. Together, we will make this Holiday Season a happy one!

Our best wishes to you and your family, joy and good health.

Sincerely,

Karen M. Carpenter
President & CEO
